

# Stone Bridge Area Improvement Task Force

## Minutes from February 15, 2007 Meeting

Attendees: Susan Anderson (Chair, Open Space Commission), Jack Cook (Recreation Commission), Marge Larson (Garden Club), Pam McDorr (Area Resident), Pat Sullivan (Conservation Commission)

Absent: Sam Carr (Harbor Commission), Linda Jenkins (Garden Club), Dr. Scott Keigwin (Area Businesses)

### Park Area:

As a follow-up from last month's meeting, the Garden Club inquired about pruning some of the locust trees that block the view of the doughboy statue from the road. Martin Van Hof will prune them as necessary.

The paths through the park area were also discussed, and Jack said if blue stone dust is used, the path should be dug up first, a landscape cloth laid down, then wet the stone dust and roll it down. This method was used for the recreation ball fields.

### Web Page:

As a suggestion from the Town Administrator to have a web page on the town website to inform the public about the Stone Bridge project, members discussed what should be on the page as a minimum:

- List of members
- Objective
- Proposed plan with graphics
- Current photos

The webmaster will be emailed as to the format he requires for the page, and Task Force members will look on the website at other commissions' pages to get an idea as to their content and format.

### Fundraising:

There will be two workshops on grant proposals offered by the RI Foundation in the area: Tuesday, February 27 at 2 PM at Linden Place in Bristol or Wednesday, February 28 at 2 PM at the Community Center in Little Compton. Task Force members are going to go for information.

### Other:

It was suggested the Town Planner be invited to the March meeting to meet with the members.
